West Buckland Village Hall Report 6th September

Arrangements have been made to pay someone to paint the fence and its hoped to get this done before the bad weather sets in.

Still looking for card tables.

The pre-school would like more tie brackets for a sun shade for when the children are playing outside. Five applications were received for Pre-school Manager's job. Interviews will be held week commencing 11th Sept 2017. Still in abeyance regarding the outside storage unit. And hope this will be sorted out when a new Manager is appointed.

There has been problems with the taps the in the disabled toilet and arrangements are being made to fit sensor taps.

Chris.
