### **WEST BUCKLAND WI FEBRUARY MEETING**

There was no mistaking it was Valentine's Day with a beautiful arrangement of red roses gracing the main table. The meeting began by welcoming visitors. One visitor came from as far away as Rutland. The business part of the meeting saw many interesting things being discussed such as the fundraising challenge to cross Iceland by cycling, trekking or riding a horse!

The speaker for the evening, David Elkington was known locally to many in the hall. His presentation was the work of the Dorset and Somerset Air Ambulance. The charity was launched in March 2000 and they are expecting what will be their third helicopter imminently. This new AW169 will be able to operate at night and in weather conditions the previous ones wouldn't have been able to. Each flight will now carry a doctor and a paramedic. It was staggering to hear that it costs £2m a year to run equating to around £2,500 per mission. The most common call out being to road traffic accidents. David listed the ways to support this vital service including textile recycling in allotted bins in car parks, Flight for Life lottery, fundraising and bequests. Sue Morgan another volunteer with the charity held a fundraising sale of merchandise after the meeting.

The Valentine's Day theme continued with lots of heart shaped sandwiches, cakes and biscuits. Everyone feeling decidedly spoilt! The competition for the 'Photo from Above' was won by Marion Upton with her breathtaking view of Bergen in Norway taken on one of the rare times when visibility allowed! Next month's meeting will be on March 14th in West Buckland Village Hall at 7.30pm. Visitors and new members welcome.

### **WEST BUCKLAND FRIENDSHIP CLUB FEBRUARY MEETING**

A total of 62 members plus 7 who were with us or the first time braved the rather foul weather to join together for our February meeting. As usual the meeting started with the chairman welcoming everyone especially those who were new to the club and distributing cards to those members whose birthday fell during February.

The business part of the morning was quickly dealt with and those who had signed up for the Exeter trip were advised of arrangements. Once we arrived at the Cathedral coffee would be available and this would be followed by a choice of two tours – one around the Cathedral and the other a tour of the roof for a panoramic view of Exeter. This would be followed by sandwiches and a bit of free time before returning home. This was well received by members.

We then moved on to the main part of our meeting and our speaker for the day Yvette Staelens was introduced. Yvette gave us an enlightening and very interesting talk on the 'Lost Singers of Somerset' in which she went through some of the trips that Cecil Sharp made to Somerset in the early 1900s to meet folk singers and collect those songs for posterity. The talk really was very interesting and we even ended up by joining Yvette in a rendition of one of the old songs.

Next meeting will be on 2nd March when Tony Cooper will be telling us about 'my time in the Metropolitan Police'.

### **POLICE BEAT SURGERY**

The next Beat Surgery will take place on Thursday, 16th March, between 5pm and 5.30pm outside West Buckland Village Hall.

## **LETTER FROM THE RIGHT REVEREND RUTH WORSLEY, BISHOP OF TAUNTON**

As I write this, in the past week we have been hearing of President Trump's travel ban which includes the prevention of refugees from entering the US. US lawyers have suspended the ban and a fight is ensuing, on Twitter and in the courts. Archbishop Sentamu, and the Bishops of Liverpool and Durham have been among those who have publicly spoken out and reminded us of the Christian charge to welcome the stranger in need. Bishop Peter and I have made a very specific Bishops' Lent Appeal this year to support the work of welcome to refugees. To support this appeal, every day of Lent there is a story on the diocesan website of someone working for the common good. Amongst them are some specific stories of refugees and those who work to support them. We hope you will take the opportunity to read them and reflect on how they open up Scripture for us through an example of 'living the story'. And in response, we ask you to consider giving something towards the work we are doing in the diocese and beyond to support such work. Perhaps you are holding a Lent lunch or taking a special, additional offering each week in your church. Would you consider giving this to the Bishops' Lent Appeal for Refugees? Half of what is collected across the diocese will go to the work here in Somerset. And half will go to encourage the work of a church community in Greece supporting them in providing food and shelter for those in immediate need.

I have been very encouraged to hear of the stories of those who have found practical support and a warm welcome from the people of Somerset in the midst of despair, anxiety and fear. It has been a real joy to see folk gathering together to offer whatever they can by way of befriending, language support, homes to those in need. One primary school has even seen the children collecting money to buy bicycles for two Syrian children. Such generosity! We've now welcomed four families to Taunton with more on the way. In Yeovil and Bath there are young people and families being supported through the government resettlement scheme. And in Nailsea and Taunton, community sponsorship hopes to welcome others. Our diocese has played its part and provided £5,000 this past year for training, interpretive support amongst other things.

We are committed to doing more this year and would welcome whatever help you can offer. Ruth, Taunton
