#### WEST BUCKLAND PRESCHOOL

This term we have had lots of fun with our circus theme and made giant clown shoes, a Class Clowns display board, a clown mirror self-portrait and a picture of a circus seal juggling numbered balls. We walked to the church to look at the harvest donations and flowers and went on a welly walk. We had fun in the park and played on the swings, slide and roundabout. Time flies when you're having so much fun!

We are looking forward to next term's theme: Toys and Technology. If you have any unwanted rolls of wallpaper please think of us – we get through a lot of paper for our Squiggle Wiggle activities.

We have spaces available so please tell your family and friends about us. We constantly have to fundraise to remain open, so if you would like to help us you could always buy a Somerset West Lottery ticket: [www.somersetwestlottery.co.uk](http://www.somersetwestlottery.co.uk) and search for our name. Please also like comment and share on our Facebook page or look for us on Easyfundraising when online shopping. Our FaceBook page also gives details of upcoming events. The next is our Open Morning on Friday 7th December 7, from 9.30 – 11.30am and breakfast with Santa on Sunday, December 9 at the Village Hall. You will need to book and pay for tickets in advance – details to follow!

Thank you for supporting us,

Sharon, Sarah and Sheena xxx

#### VILLAGE HALL

Our very busy Village Hall is managed by a committee of volunteers. Some of these (for different reasons) are giving up doing this valuable job. We are very grateful for all the time they have given us in the past. We now do need some new people willing to take their places, for the continued care and running of the hall. Our meetings are held, at the moment, on the first Wednesday of each month at 7pm for approximately an hour. If you feel able to help, please contact Jean on 01823 663009.

## **CHAPLAINCY TRAINING (LAY)**

Chaplains can be found in education, healthcare, armed forces and police, places of work and leisure. Every day they are living and telling the story of God with sensitivity, generosity and grace. Chaplaincy is a missional and pioneering ministry based in our communities and serving the 95 per cent of people who do not come to church on a regular basis. Would you like to explore lay chaplaincy?

Rev Mike Haslam (Chaplaincy Development Advisor) is running an eight session chaplaincy course over three days for people from Tone Deanery. This will involve one full day and two half days and an individually arranged placement with a local chaplain. The dates are: Saturday, January 12 at Mill House, Sunday January 27 (venue tbc) and Sunday February 3, (venue tbc).

If you would like to find out more or be considered for this course contact: Revd Mike Haslam - e-mail: [mike.haslam@bathandwells.anglican.org](mailto:mike.haslam@bathandwells.anglican.org) or phone: 07530 677493; or Rev Selina Garner – e-mail: [selina@thegarner.me.uk](mailto:selina@thegarner.me.uk) or phone 01223 662227 / 07952 522976

## **SOMERSET REMEMBERS**

Over this last year I have been hearing about the different ways our communities have been coming together to mark the 100 year anniversary of Armistice. Remembrance Sunday is always a poignant time and it will have a particular resonance this year as Remembrance Sunday falls on the centenary of Armistice Day, November 11, 1918.

We will remember them. We must not forget. As Bishop Tim Thornton says in the special Remembrance issue of our diocesan Manna magazine. “Remembering does not mean going through an intellectual exercise. It means doing everything we possibly can to bring back in to the reality of today the horrors of the past so that we do not make the same mistakes again.”

I've been moved to hear the stories of how our church communities have used this landmark as an opportunity to research their own Tommies, to rededicate memorials, make spectacular poppy displays or install the Perspex Tommies of the charity, remembered. And how communities have really come together across the generations through these acts, large and small.

Wells Cathedral's Book of Remembrance contains around 11,300 names. These are the people from Somerset and beyond, listed by community, who gave their lives in the service of their country.

We will remember them.

The Rt Revd Peter Hancock, Bishop of Bath and Wells

## **WEST BUCKLAND FRIENDSHIP CLUB OCT MEETING**

Nearly 80 members turned up to the October meeting to see just one person sitting at the top table with three hats on. The reason – all the other committee members were away. The formal part of the meeting was borne by Henry moving from one chair to the other to give out the various reports. The members were told about the pick-up times for the trip to Bath Christmas Market on November 22 and advised of the details. They were also invited to put their names down for our Christmas Lunch to be held at Oake on December 6.

November is our AGM and members were advised that all committee positions were available and asked that if they would like to stand please advise the Secretary by October 24. The AGM will include a cheese and wine buffet afterwards and members were asked if anyone could help to set it up.

Our speaker for the day was Ian Williamson who stood in for us at very short notice when the published speaker advised us she could not make it. Ian gave a very entertaining talk on his trek in Vietnam and a vote of thanks was given by Barbara Quartly.

Our next meeting will be on November 1 at the village hall and as mentioned previously will be our AGM.

## **WEST BUCKLAND WI OCTOBER MEETING**

On arriving at the meeting our members were gathering and signing up to all the activities on the tables. The president welcomed everyone to the meeting and went through the formal part. There was a lot of talking about all the things that are going on from now to (should I say the word?) Christmas. Then it was the turn of our treasurer to tell us about all the fundraising that we have done throughout the year and how much we raised and she thanked everyone for their help.

The speaker was David Mournian, and the talk was titled Grumpy Goes to America. So we were all intrigued what it was all about. It started off with David telling us about his grumpy gnome that went on his travels with him. David then went on to tell us that he went around America on his motorbike with grumpy. We looked at an array of photos and the stories that went with them. It was a very good evening and David kept us well entertained the whole time. At the end he teased us by saying that this was only part one and that he will come back to do part two. The evening finished with coffee and nibbles.

## **POLICE BEAT SURGERY**

The next beat surgery is between 5pm and 5.30 pm outside the Village Hall on Thursday November 1, and there is another on Thursday November 29.

Your local Beat Team will be working remotely from the 1<sup>st</sup> October 2018. A&SC have invested in new technology to enable this to happen, so you may see us parked up working on our laptop or mobile phone, or even riding a bicycle in due course. This is an initiative to enable Neighbourhood Policing to be in your Neighbourhood rather than at our desks. Please follow ASPoliceWellyWivey on Twitter if you're a tweeter as your local beat team often update on social media, events, photos etc.

You can still contact the Police on 101 and your local beat team contacts remain the same.
